

Joe Thomas-Voices for 10/2/17

Boycott ESPN?

Finally, Joe Thomas has come back to KURY Radio to take on Political Correctness and the New World Order!

If I were a Hill, what kind of Hill would I be? I would not be a Janelle Hill of ESPN. She is certainly not very steep. Janelle Hill does not give me a thrill. She is very short in stature and she might very well be the most stupid Hill who ever lived. Hank Hill is very tall and he loves this country. Janelle Hill is very short and she hates this country, just take her Chairman Mao comrades at Black Lives Matter and her Peacock co-workers at ESPN. The only reason Janelle Hill is not a cartoon character like Hank Hill is the fact that not even the Walt Disney Corporation could turn her into a cartoon character that any kid would want to watch. The kids today are screwed up enough without subjecting them to the Janelle Hill I Hate America cartoon character.

Funny how a twisted dork like Janelle Hill lectures everybody about race and politics when she works for the Walt Disney Corporation. Walt Disney, the man, was a big-time supporter of Adolf Hitler and the Third Reich back in the day. How come I don't hear Janelle Hill and all the other loudmouth jerks at ESPN call for the Walt Disney Company to change their name?

Janelle Hill is mentally sick. One pill is not nearly enough to help her get rid of her problem. Hank Hill might be King of the Hill but that does not make Janelle Hill the Queen of the Hill. She is no princess either. The brain on that frog croaked a long time ago.
